

RULES FOR STAYING WITH PETS

Our hotel allows accommodation with your pets.

Conditions of accommodation with a pet:

- Guests with well-behaved pets from 6 months of age are welcome in our hotel. A fee for each animal is charged according to the valid price list. This amount represents payment for increased cleaning and maintenance costs of the accommodation areas.
- To ensure the comfort of other Guests, a maximum of 1 medium or large breed animal, or up to 2 small breed animals, may be accommodated in one room. Any exceptions must be approved exclusively by the responsible employee of the Accommodation Provider or the hotel management.
- The owner of the pet (the Guest accommodated with the pet, whether with or without the knowledge of the hotel operator) bears full responsibility for any damage caused to the hotel property or to other accommodated Guests and persons in the hotel, including employees of the Accommodation Provider. In the event of damage to hotel property, the pet owner is obliged to compensate the full extent of the damage. Compensation is payable on the basis of an invoice presented to the Guest, with a due date set by the Accommodation Provider.
- Animals are not allowed to lie on the bed or on other furniture intended for the Guest's rest.
- The pet fee is charged in advance. By booking a stay and paying the pet accommodation fee, the Guest declares that they have been acquainted with these rules.
- The Guest acknowledges that in case of violation of these rules, the Accommodation Provider is entitled to refuse the accommodation of the Guest with the pet, or to terminate the pet's stay, without the Guest being entitled to any financial or non-financial compensation.
- In the event of failure to report a stay with a pet, we reserve the right to charge a contractual penalty of CZK 1,000 for each night of the stay.

- In the case of extreme contamination of the room (e.g., excessive pet hair due to shedding, contamination of floors, furniture, or textiles with excrement), an additional extraordinary cleaning fee will be charged.
